

- If you are interested in receiving periodical communications from ROVER for technical and promotional purposes, you can **register on the ROVER website**.
- ROVER sends out a newsletter about once a month, by email, to inform their customers about **exhibitions, new software releases (to improve their meters' technical features), special offers, new technology** and so much more.
- The ROVER newsletter subscription can be revoked at any time with a simple click.
- Follow these simple instructions to register on the ROVER website.

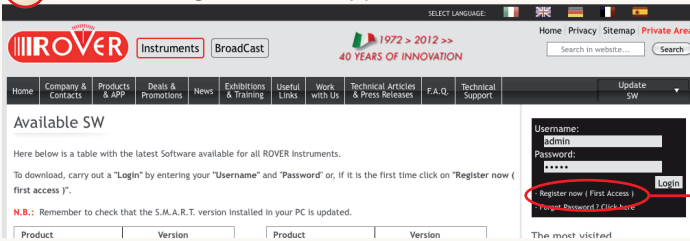

Go to the Rover website **1**  
**www.roverinstruments.com**  
 The home page will appear.

**2** Click on the UK flag.

**3** Click on the words **Update SW**.

**4** The following screen will appear:

**5** Click on the words: **Register now (First Access)**.

*It's simple & easy!*

**6** The Update SW Area and Newsletter Registration form will appear.

Fill in the form with your data. **7**

Make sure these boxes are ticked. **8**

**9** Click on the "Send" button.

**10** You will automatically receive an email asking you to confirm your registration.

Regularly check out the ROVER website [www.roverinstruments.com](http://www.roverinstruments.com) for information about ROVER products
